*Life is a race  
 put in place for Men.*

*What happens to a Man when God steps in the race to help Him?*

*I believe that the grace of God will come upon you in no small way and make you achieve that which seems impossible in the eyes of men in Jesus name.*

Our text is taken from  
**I COR 15:10 (NIV)**

<sup>10</sup> “ But by the grace of God I am what I am, and his grace to me was not without effect. No, I worked harder than all of them--yet not I, but the grace of God that was with me”

*This was Apostle Paul speaking here. The grace of God refers to God’s goodwill, His loving-kindness and favour. It is that force that comes upon a human being and causes unusual results to accompany whatever He or She does for good.*

*In 1 Kings 18, Elijah even though there was famine in the land for three (3½) and half years and He was being fed regularly by ravens commanded by God and later by the Widow at Zarephath, so He was feeding well all through.*

*On the other hand, the Kings in those days had the fastest horses. Still, how is a man able to run faster than the fastest horses in the land?*

*This tells us that  
**the grace of God has been making a world of difference for centuries and it is still making a difference in the lives of human beings.***

*When God’s grace comes upon you, it just appears like you know everything right to do in life and you are getting the excellent, unimaginable results for good in everything you do.*

*There are two steps to invoking the grace of God upon your live:*

*The first is to receive Jesus as your Lord and savior, the next would be to cultivate a healthy relationship with Him and keep building on it daily.*

## PRAYER

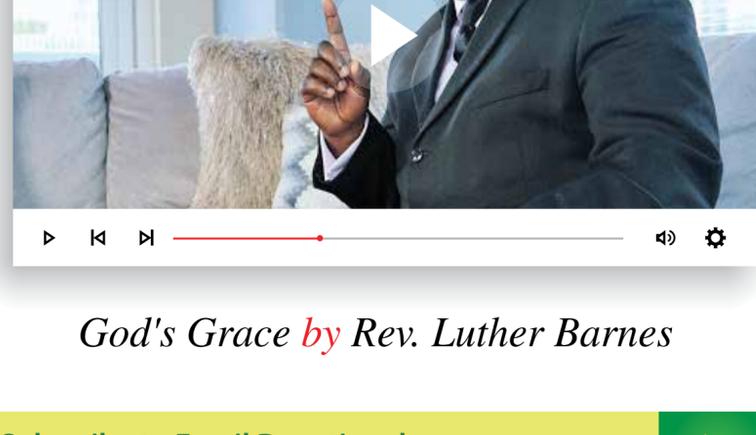

*Father in the name of Jesus, I declare that your grace be activated and go to work in every area of my life from this moment in the name of Jesus.*

## CHARGE

*My charge to you today is to Work with the consciousness that God has poured His grace upon you and His gifts and calling are without repentance. So go and function in the grace of God in Jesus name.*
