The series of teachings that the Holy Spirit has been inspiring Me with are simply life-changing and I am always overjoyed every week I have the privilege to speak with you on these amazing revelations from God's word.

The title of our devotional this week is

"IT'S IN YOUR MOUTH".

This topic has really blessed me and I believe it will do more than that for you in Jesus name.

Our text is taken from

MARK 11:23-24 (AMP)

²³ "I assure you and most solemnly say to you, whoever says to this mountain, 'Be lifted up and thrown into the sea!' and does not doubt in his heart [in God's unlimited power], but believes that what he says is going to take place, it will be done for him [in accordance with God's will]. ²⁴ For this reason I am telling you, whatever things you ask for in prayer [in accordance with God's will], believe [with confident trust] that you have received them, and they will be given to you."

There are certain mountains that by merely speaking once, they will vamoose, but there will be some that you need to keep speaking to consistently before they disintegrate. So, no matter how long it takes, God expects us never to doubt that the mountain will be out of our way.

The scripture commands that

We say to the mountain and not to God.

That is because God is making it clear to you and I today that the miracle is in our mouth and He has made us to be that powerful over our circumstances and what our lives amount to.

The mountain from our scripture is a non-living thing. Invariably, Jesus is trying to make us understand that irrespective of what the challenge is ALL we have to do is speak to or into it -

Dear ones, it is a blank cheque for you to fill in anything you desire on it.

Wow! God is awesome.

PRAYER

Father, I declare and decree concerning this mountain...

[mention the mountain] that has lingered for so long and I command it to be lifted and thrown away from my path to greatness in Jesus name.

Amen.

Glory to God!

CHARGE

My charge to you today is to never allow any challenge in your live get the better part of you.

I would like to implore you to speak to it and keep speaking to it till it is gone forever in Jesus name. Amen.
