## Our weapon of **WORSHIP** **WARFARE**

Greetings in the most powerful name in all of the Earth, Heaven and beneath the Earth- The name of Jesus Christ!

*How comforting is it for one to know that the name of Jesus is our stronghold.*

Our text is taken from

### 2 CORINTHIANS 10:4-5

*4-5 “For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ” (KJV)*

The Holy Spirit teaches us several strategies on how to war. First strategy is the awareness that, it's not a 'flesh' war, you fight from the Spirit, for the flesh cannot comprehend the things of the spirit, so when the Holy Spirit is giving you peculiar and specific strategies for war, he is speaking to your Spirit Man. Second strategy is to ensure we are totally submitted to the Holy Spirit so we hear Him clearly on the ways to fight.

Lately, the Holy Spirit is teaching me critical war tactics and it's my desire to share some with you. Probably some of you already know;

Worship, Love, The Spoken Word (Declarations) and Faith (Belief). I will share on Worship today.

## WORSHIP:

The Holy Spirit speaks of worship as a weapon of warfare for 'pulling down every high thing that exalts itself against the knowledge of God'. Heartfelt Worship is mighty in God for pulling down strongholds. Worship is 'exalting God' above all things. God inhabits our praise, that just simply means as you worship, the Lord comes to dwell in your worship, in that place He knows all you are facing and is sending help your way. He assures you of the victory and He instructs you on what to do – (Move or be still). Worship also puts God in perspective and moves you away from every thought that threatens to create doubt and disbelief in God's ability to help you.

Worship as a weapon of warfare is a proclamation in the Spirit realm of how mighty your God is. It is an announcement of the Jehovah, Our God mighty in Battle, it says to the enemy – God is here in my Worship, you fight Him.

We see great examples of where worship was used as a spiritual weapon and we saw the victories manifest in the physical.
