Greetings beloved, how has the week been?

Keep the faith! God is more than able! As we continue our series on the “Ancient Paths”, let us look at the “Path of Selflessness”.

Remember our theme text;

This is what the LORD says: “Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it, and you will find rest for your souls’ Jeremiah

6:16. *(NKJV)*

What is selflessness?

Selflessness is defined by the online oxford dictionary as *“concern more with the needs and wishes of others than with one’s own.”*

Dictionary.com defines it as *“having little or no concern for oneself, especially with regard to fame, position, money, etc.; unselfish.”*

Being selfless is a standard required from us as disciples of Christ and, as examples to humanity

No one should seek their own good, but the good of others

I Corinthians 10:24(NIV)

This path teaches a journey of showing God’s love (agape; unconditional) despite how tough life can become; thinking of the good of others before yours. In a world where achievements and validation are elevated and sought after, putting others before you can be rare. We see only the wealthy doing big social projects while most other people are ‘just trying to survive.’

However, God requires more from us in the path of selflessness than the typical courtesies, not only does He require we be good (behaviour) to others, He emphasizes on “doing good” (lending a hand) to others.

When that individual needs help;

Proverbs 3:27-28 says *“Do not withhold good from those to whom it is due, when it is in your power to act. Do not say to your neighbour, “Come back tomorrow and I’ll give it to you”*—when you already have it with you.

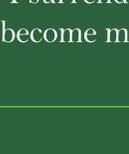

When God blesses you, His command to you is found in 1 Timothy 6:17-19; Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment. Command them to do good, to be rich in good deeds, and to be generous and willing to share. In this way they will lay up treasure for themselves as a firm foundation for the coming age, so that they may take hold of the life that is truly life.

The poor and vulnerable, God says in Proverbs 19:17 Whoever is kind to the poor lends to the LORD, and he will reward them for what they have done.

Can we get weary or disheartened in helping others? Yes! When you are stretched emotionally, financially, socially etc; God knows this and encourages us in Gal 6:9 (TPT): And don’t allow yourselves to be weary or disheartened in planting good seeds, for the season of reaping the wonderful harvest you’ve planted is coming!

Beloved, keep planting those seeds of good in your family, your community, your city, your country and the world.

Practice SELFLESSNESS.
